

Contour Secure Bed

Built to resist moisture and wear, this fitted bed combines a reinforced plywood frame with a durable KYDEX® XD finish that's easy to clean and maintain. Its accurate tolerances and discreet fixings enhance both safety and durability, while airflow grooves help keep the mattress fresh. With multiple configurations available, it adapts seamlessly to meet the needs of users and rooms alike.

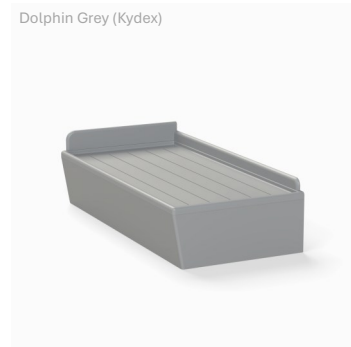

Off-white (Kydex)

Sky Blue (Kydex)

Dolphin Grey (Kydex)

Features:

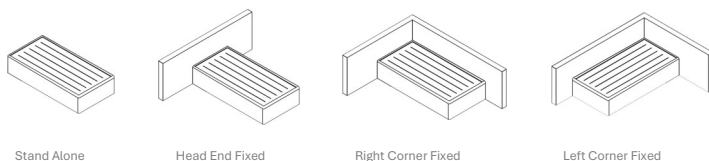

- Fully enclosed bed with solid, secure base – no visible fixings once fitted.
- Body constructed from 18mm and 25mm MDF panels
- Panels thermoformed in Kydex® XD for high durability and cleanability
- Internal frame built from 18mm birch plywood for added structural integrity
- Angled sides to assist with natural stand-up motion & staff access.
- *Straight sides available for tighter junctions with adjoining furniture.*
- Integrated top lip to prevent mattress movement
- Integrated upstand aids fitting, protects walls, and eliminates concealment points

Please note: This bed is designed to be assembled and installed by a professional installer.
